SUMMARY

Third Year, Bachelor of Technology Computer Science Engineering Student 🎓 I'm passionate about computer programming and love exploring new tech. Besides coding, I enjoy video editing and creating dynamic PowerPoint presentations.

- Music is my lifeline, and I love watching movies.
- I'm a sports enthusiast, especially football and cricket, and enjoy playing cricket, chess, and video games.
- In my free time, I play the guitar and sing. I also have a strong interest in planning and designing.

Interests

READING BOOKS (motivational self help, autobiographies), Singing, Listening to MUSIC, Football, Cricket
